

# Key Signatures

(Major Keys) in the the order they appear

Hint: The final sharp in the key signature is a 1/2 step below the name of the key

Sharp Keys

C                      G                      D                      A

e.g. F# is a 1/2 step below G=Key of G

5

E                      B                      F#                      C#

Hint: The 2nd flat from the RIGHT is the name of the key

Flat Keys

9

F                      Bb                      Eb                      Ab

Hint: F always has 1 flat

Bb= Key of Bb

13

Db                      Gb                      Cb

Note that the Flat keys appear in the reverse order of the Sharp keys.
