Love, O Love, o careless love! (3x)
E                              B7
Love, O Love, o careless love!
E      E7         A         Am7
Love, O Love, o careless love!
   E          B7                 E
O look what love has done to me!
```

Once I wore my apron low (3x)
You'd follow me thru wind and snow

Now my apron strings won't tie (3x)
You pass my cabin door right by.

You pass my door, you pass my gate (3x)
But you won't get by my "38"

What o what will Mama say (3x)
When I come home the family way?

She'll tear her hair, she'll bide her tongue (3x)
Shee did the same when she was young

What o what will Papa say? (3x)
He ain't my real pa anyway.
