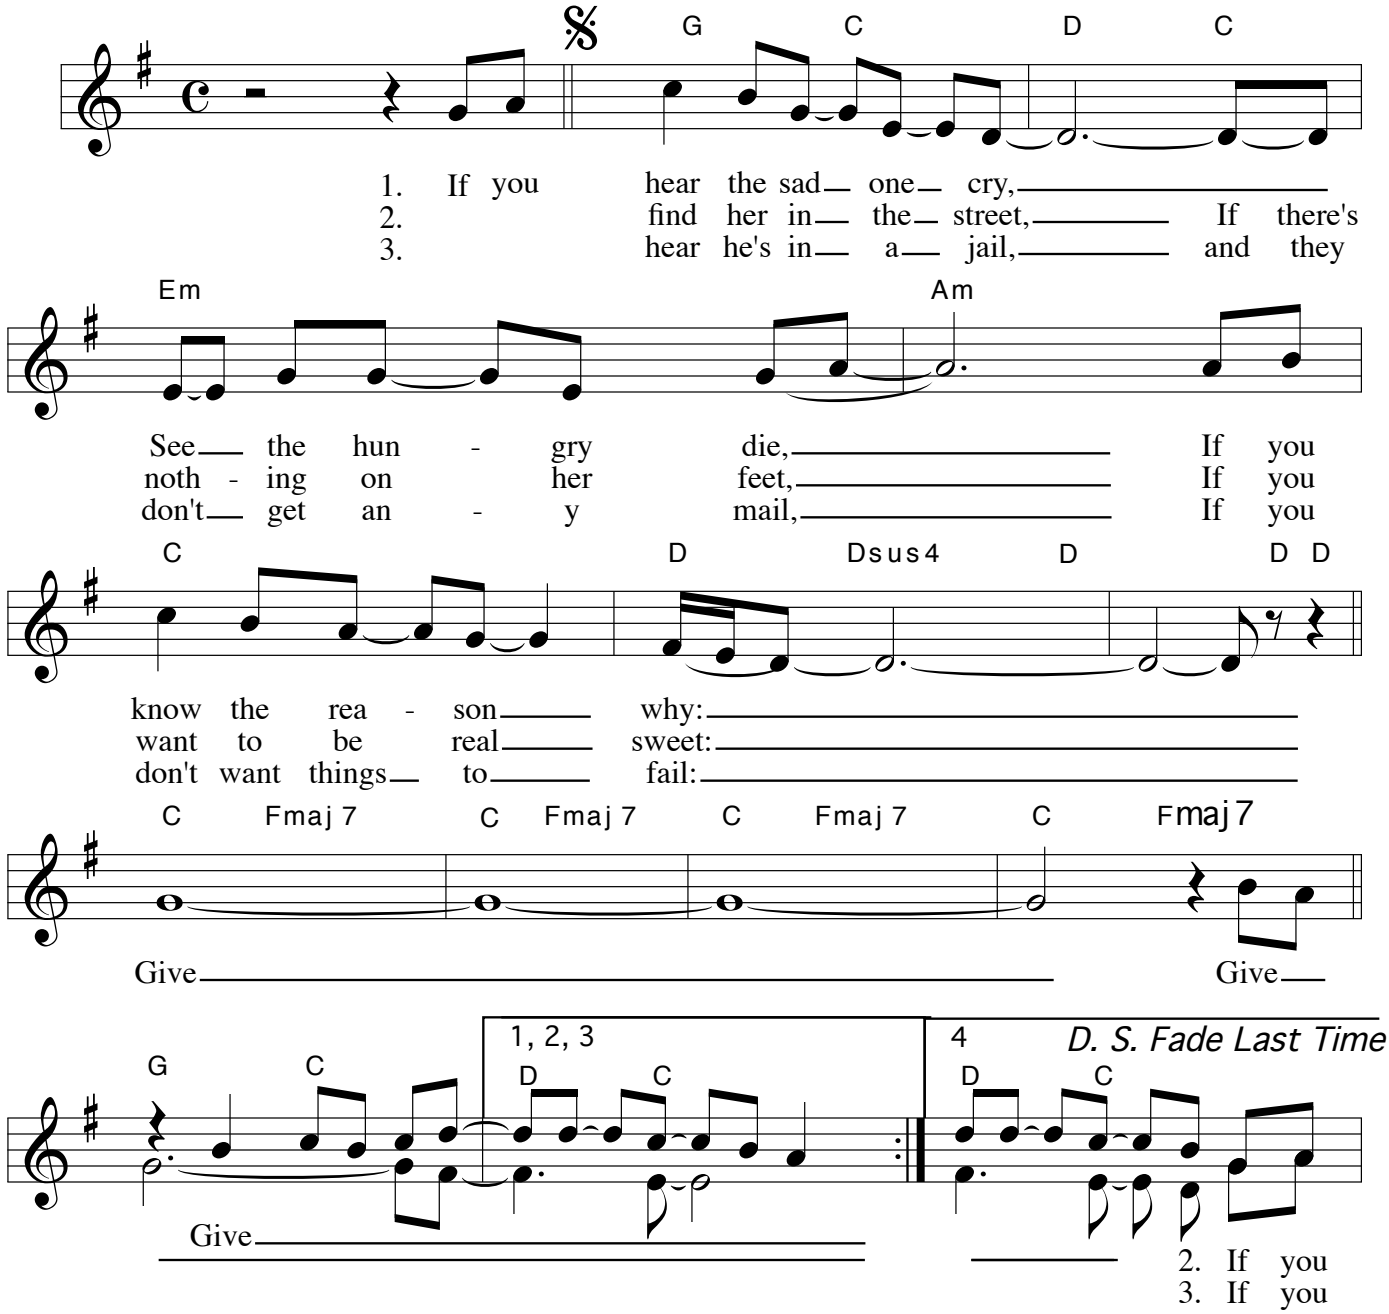
“Give”

Words by Paula Tuttle & Steven B. Eulberg *Music by Steven B. Eulberg*



4. If she has a brok-en heart
If his life's fall-ing a-part
If you'll just do some-thing smart. . .

5. If they keep running away
And you can't get them to stay
If you need a better way. . .

6. If you know that he's depressed,
Do something that works the best,
Put your actions to the test. . .

7. If you do nothing more today,
Happiness will be your pay
If you help in some small way. . .
