

**G**  
Well, I just got out of the county prison  
**D7**  
doin' 90 days for non-support  
  
Tried to find me an executive position  
**G**  
but no matter how smooth I talk  
  
They wouldn't listen to the fact that I was a genius  
**G7**  
the man said we got all that we can use  
**C** **A7**  
**G** **B7**  
**Now I got them steadily depressin',**  
**Em** **A7** **C** **D7** **G**  
**low-down mind-messin' workin' at the carwash blues**

Well, I should be sittin' in an air-conditioned  
office in a swivel chair  
Talkin' som trash to the secretary sayin'  
(spoken) hey now mama come on over here  
But still I'm stuck here rubbin' these fenders with a rag  
and walkin' home in soggy old shoes  
**With them steadily depressin',**  
**low-down mind-messin' workin' at the car wash blues**

**C**  
You know a man of my ability  
**G**  
he should be smokin' on a big cigar  
**C**  
But till I get myself straight I guess I'll just have to wait  
**A7** **D7**  
in my rubber suit rubbin' these cars

Well all I can do is shake my head,  
you might not believe that it's true  
but workin' at this indoor Niagra falls  
is an undiscovered Howard Hughes  
So baby, don't 'xpect to see with no double martini  
in any high-brow society news  
**cause I got them steadily depressin',**  
**low-down mind-messin' workin' at the car wash blues**
