Am  
I'm on the bottom of the world (inspired by BarryNZ)

Dm  
In the corner I've been hurled

E7  
By the last little girl

Am  
That walked away

Fmaj7  
She walked away

G  
And I think I'll stay

Am  
Here on the bottom of the world

It's a sunny day

-----

Beach looks great

I'm not working today

Won't let me play

Say I'm in the way

Drought/route/pout

They shut me out

I think I'll shout

Here on the bottom of the world.
