 Em Am  
 Don't bet your life on what it might do.  
 C D  
 Just set your sails, and let it blow on you  
 C G  
 The only wind that blows, will carry you through  
  
 is the one that blows on you.

[The wind always blows from the East  
 or the West, from the North or the South, nobody knows. Don't bet your life on  
 what it  
 might do. The only wind that blows, is the one that blows on you.  
 You drifted in from somewhere, on the whim of the wind. Loving you was easier, than  
 it's  
 ever been. There's no rhyme or reason, no original sin . Just love the way we feel it,--
