

G C Am
I went down to Sesame Street
D7 G D
Been 40 years since I went away/Came to play
G C Am
Lots of things changed in the old neighborhood
D7 G
Not all for good, I'm here to say,

D7 G
Now the sun don't shine on Sesame Street
A D
Mr. Hooper is plum out of luck
G F C/E Eb or Cm/Eb
Miss Piggy's gone off to Hollywood
D7 G
Driving away with his Truck.

Miss Piggy, Miss Piggy, Why did you leave him
Kermit, he was in such shock
He sadly went walking and soon he discovered
A new girl had moved on the block. (Suzieq)

Bert went walkin, Ernie went Golfin
they were happy as punch
'til Ernie found Bert smackin his lips
from chowin' down on Ernie's lunch.

There's new kids living on Sesame Street

Cookie and the Count
were counting the cookies
When the Count came up one cookie short
"I love to Count them" "Me Love To Eat Them"
The crumbs gave him away, of course.

Now the sun is shining on Sesame Street
Some things, they never change
Elmo will always be ticklish
The Grouch will never sing, "Home on the Range"

The sun always shines on Sesame street
Shines on me and my friends
We all love life on Sesame Street
And we hope it never will end. (Cribb)

Well, I grew up big on Sesame Street. Now I
gotta travel on. I just might drive out west on Sixty
Six. And see what I can find.

The Sun don't shine on Sesame street
The snow it fell all over the place
Oscar is ruling the block
And Bird was shuffling his feet

Mr. Hooper is plum out of luck /truck
Mr. Hooper is pickin' his lock.
There's a tear in my bear that I call Winnie (kent522)
Now Pooh, is crying, "boo hoo."

Remember when Rocky and Bullwinkle
were Muppets that sure fooled Boris and Natasha
When Oscar is ruling the block/roost...
